

Central Ohio Area Service Committee of Narcotics Anonymous Policy
Version 7.12

Introduction

These procedures and guidelines should be comprehensive enough to allow the meeting to run smoothly while allowing the committee some flexibility. Rigid guidelines are notorious for continual amendments and less productive meetings. We must still rely on the GOD of our understanding to fill our hearts with knowledge, wisdom, and compassion allowing a collective decision that helps better carry the message of Narcotics Anonymous. All areas not covered by this policy refer to the 12 Traditions, 12 concepts, and guide to local services, the standard code of parliamentary procedures, and above all our Higher Power.

Section One – What COASCNA is ...

- I. The Central Ohio Area Service Committee of Narcotics Anonymous (hereafter referred to as COASCNA) consists of NA members working together to serve the Central Ohio Area of Narcotics Anonymous (hereafter referred to as COANA) i.e., the groups and fellowship within COANA, but not to act as authority over COANA.
 - a. The primary function of COASCNA is to unify and aid groups within COANA by operating within its defined and implied responsibilities as directed by the fellowship, adhering to the Twelve Traditions and Twelve Concepts and striving to provide services as follows:
 - i. To carry the message of recovery through COASCNA subcommittees such as Public Relations, Hospitals and Institutions, etc.
 - ii. To contribute to the growth of NA by supporting the service structure, the Region and World Services.
- II. When and Where COASCNA meets ...
 - a. COASCNA meets the 3rd Sunday of every month at a location designated by the chairperson. When there is a conflict with the 3rd Sunday, the COASCNA Chairperson or Vice Chairperson will secure a location or new date for the meeting 3 months in advance or as soon as possible.
 - b. The Chairperson will act as the facilitator of the ASC meeting. In the Chairperson's absence, the Vice-Chairperson will act as the facilitator of the ASC meeting. In the Vice-Chairperson's absence, the Regional Committee Member (RCM) will act as the facilitator of the ASC meeting. In the RCM's absence, the RCM-Alternate (RCMA) will act as the facilitator of the ASC meeting. In the event that none of these 4 trusted servants is present at the ASC meeting, a vote of all ASC meeting attendees will be made to determine the facilitator for that month.
 - c. If there is a need for an emergency COASCNA meeting, it may only be called by the Chairperson or Regional Committee Member with the

participants of COASCNA being given one week (seven days) notice prior to such emergency meeting. COASCNA meetings are adjourned no later than 6:00 PM. All unfinished business is tabled until old business of the next meeting.

Section Two – Who COASCNA is ...

 - iii. Suggested one year clean, (6 months for GSR-Alternate)
 - iv. A GSR, elected by their group, is the first line of communication between a group and NA as a whole. They are the link that binds the groups together in the performance of our primary purpose. Their responsibilities are to keep their group informed and to express their group's conscience in all its matters. In other words, they are in fact the voice of their group. Electing GSRs who will take an active part in the business of NA is probably the most important thing we can do to improve the unity of the fellowship. Active participation, more than any other thing, can strengthen the ties that bind us together and promote our common welfare. The GSR speaks for the group at the ASC meeting. They take part in the planning and implementation of any function which affects the members of their group. As a result of their participation, they can keep their group informed about what is happening in NA. Members of a group should always be able to go to their GSR and find out about activities, other groups, how the NA service structure works, the Twelve Traditions, the Twelve Concepts, and how they can become more involved. In choosing your representative, remember that they are your voice and ears in NA. If your group wishes to be well represented and well informed, it is your group's responsibility to elect the best possible nominee.

This is a 2 year commitment, the 1st year as the GSRAlt becoming familiar with the job, and attending all COASCNA meetings with their GSR; GSR-Alts are non-voting participants.  2. An active group will become inactive only after having no representation for 2 consecutive ASC meetings, and shall stay inactive until they are represented at 2 consecutive meetings once again.
- iii. The passage of motions on the floor requires a simple FOR majority, while motions on the floor that change or make policy require a 2/3 FOR majority of the voting body.
 1. An ABSTENTION does not count in the total number of present voting members from which a needed percentage is

derived unless a situation occurs when there are more ABSTENTION votes than the total of FOR and AGAINST votes; then the motion will be placed on the floor again for further deliberations and clarification.

2. Simple majority equals more than 50% of possible alternatives (FOR, AGAINST).
3. In case of a tie vote the COASCNA administrative body (excluding the Chairperson and any members of the administrative body that have voted as GSRs) will be asked to vote. The collective result of their vote will act as the tie breaker. If a tie vote occurs again, the COASCNA Chairperson breaks the tie.

 - v. falsification of financial statements
 - vi. any act of theft or violence in committee or toward committee members
 - j. Other needs for a Trusted Servant would include the formation of a new subcommittee, the formation of an ad hoc committee, and open positions.
 - i. Nominations will be taken immediately upon knowledge of the open position with an election held the following month to allow the GSRs to get their groups' conscience. If there are no nominees at the time of the election, the position will remain open until there is a nomination at which time the previously stated election procedures would apply.
 - ii. If possible, the Vice or Alternate position holder will fill the open position until the election. If there is no Vice or Alternate, the responsibility of the open position will fall upon the Administrative Body.

Addendum I
Central Ohio Area
Service Committee

Narcotics Anonymous

Statement of Acknowledgment of Financial Responsibility and Procedure for Dealing
with Misuse of Narcotics Anonymous Funds and/or Property

I. INTRODUCTION

The Eleventh Concept for Service to Narcotics Anonymous States: “NA funds are to be used to further our primary purpose, and must be managed responsibly.” In keeping with the spiritual principles of this concept, you will be required to adhere to guidelines regarding the handling of NA funds. Theft can be avoided by consistently and diligently following responsible financial principles and practices. The pain and conflict caused when one of our members steals from us, as well as the loss of funds that might have gone to help the still suffering addict, points to our responsibility to prevent theft from happening in the first place.

II. APPLICATION/DEFINITIONS

This theft policy applies to all members of the Central Ohio Area Service Committee of NA who handle money. This includes, but is not limited to all members of:

1. The Administrative Body
2. Sub-Committee Chairpersons (Public Relations, Hospitals and Institutions, Central Ohio Area Office, Outreach, Newsletter and any future standing Sub-Committee not previously mentioned.
3. Sub-Committee members handling COASCNA funds.
4. Ad-Hoc Committee Chairpersons and Ad-Hoc Committee members handling COASCNA funds.

This policy outlines the procedures that will be taken if a member MISUSES NA funds and/or property as defined below:

MISUSE: To take, lose or use NA Funds or property in any way that violates our Eleventh Concept. For purposes of this document, the word MISUSE includes theft and accidental loss or damage of NA funds or property.

III. THE THEFT POLICY

In keeping with the spiritual principles of the Eleventh concept, you agree to handle NA funds or property responsibly. This means taking appropriate measures to safeguard the funds or property. Such measures include, but are not limited to receiving and retaining proper documentation, maintaining inventory supply lists, monthly reporting and regular auditing according to COASCNA Policy. If you are handling NA funds for any reason it is your responsibility to ensure that the funds are used properly and expeditiously turned over to the appropriate Sub-Committee Chairperson or COASCNA Trusted Servant. A member should not deposit NA funds in a personal bank account.

IV. PROCEDURE TO DETERMINE WHETHER A MISUSE HAS OCCURRED

MISUSE of NA funds and/or property will not be tolerated. The following is an outline of the process that will be followed if a MISUSE is reported

- A. The COASCNA Chair, Vice Chair and Treasurer shall do an immediate and thorough review of all books and financial records to determine whether the funds or property were MISUSED as defined above. If any MISUSE is found, it shall be reported publicly at the next area business meeting and shall be included in the minutes.
- B. Upon confirmation of a MISUSE, a special closed meeting shall be convened within three days immediately following the next area service meeting. This committee shall consist of the COASCNA Chairperson as facilitator, Vice-Chairperson, COASCNA Treasurer, and Vice Treasurer, two GSR's as determined at the ASC meeting, and the individual(s) involved in the alleged MISUSE.
 1. Prior to this meeting, the COASCNA Chair, Vice-Chair and Treasurer shall make a good faith, thorough attempt to contact the individual(s) involved in the alleged MISUSE by any means necessary.
 2. The individual(s) involved in the alleged MISUSE shall have an opportunity to present his or her point of view concerning the alleged MISUSE.
 3. The meeting format shall allow sufficient time for all sides to express their feelings and concerns. This will allow everyone to provide his or her input and may also encourage a "diffusing" process.
 4. There shall be a break after all sides have expressed their views to allow all parties to get in touch with their own higher power, and to focus on spiritual principles before deciding the best course of action.
 5. The committee shall determine whether the MISUSE was done in bad faith (dishonestly) or in good faith (without dishonesty, including accidents or inadvertent loss).
 6. If the individual(s) involved in the alleged MISUSE do not appear at this meeting, the COASCNA Chairperson shall contact the individual(s) by certified mail (return receipt request) at his or her last known address. This letter shall inform the individual(s) that he or she has been found to be in violation of this policy. The letter shall set forth specific facts that support the alleged MISUSE, inform the individual(s) that restitution of funds is expected and describe the consequences if the individual(s) does not either make proper restitution or respond to the letter. The Chairperson shall keep a copy of the letter, along with proof of mailing and/or receipt for safekeeping.

V. CONSEQUENCES OF MISUSE

COASCNA supports and appreciates when members take personal responsibility and honestly admit to the MISUSE. However, we understand that the individual(s) may either contest or ignore the MISUSE. The following outlines the consequences of violating this policy:

- A. If the individual(s) is found to have MISUSED NA funds and/or property in any way, AND the individual(s) agrees to repay the value of the MISUSED funds and/or property, the individual(s) and COASCNA shall enter into the restitution agreement attached hereto. This agreement shall outline an appropriate repayment schedule. The agreement may specify regular weekly or monthly payments until the full amount is repaid. The individual(s) and the COASCNA Chairperson shall sign and date the restitution agreement, which shall be witnessed and signed by a third party and notarized.

- B. A report detailing the MISUSE and the proceedings described above shall be reported at the next ASC meeting and included in the minutes. In addition, regular updates concerning the status of the restitution agreement shall be reported at ASC meetings and included in the minutes until the restitution agreement has been satisfied.
- C. Dishonesty is not a spiritual principle. If the committee finds that an individual(s) has violated this policy in bad faith (with dishonest intent), the individual(s) shall be removed from his or her service position and shall not be considered for an Area service position for five (5) years after the satisfaction of the restitution agreement.
- D. If the individual(s) refuses to make restitution, agrees to a restitution agreement, but does not fulfill his or her obligations under that agreement, or disappears, it may be appropriate to take legal action. This may seem severe; however, if the above procedure yields insufficient or no result, this type of harsh decision may be the impetus that encourages the individual(s) to make restitution. The decision to take legal action is an option that does not compromise traditions or spiritual principles, but it should be used as a last resort, opted for only when everything else has been tried. The decision to take legal action shall be thoroughly explored before going ahead, using Area and/or Regional Service Committees, the WSB and the WSO as resources. Should legal action be deemed appropriate, a COASCNA member shall be appointed the liaison for purposes of overseeing the proceedings.

BY SIGNING THIS AGREEMENT, I HEREBY ACKNOWLEDGE:

I accept my responsibilities described in this agreement, COASCNA Policy and any other service related documents pertaining to my position.
